

LINCOLN COLLEGE JOB DESCRIPTION

Post Title:	Instructor/Assessor in Automotive Engineering	Post Number:	LC0135P
Daily Supervision:	Curriculum Lead – Automotive Engineering	Grade:	LC Support Scale 6
Department:	ASI & ENG	Last Updated:	May 2025

Our Purpose:

To be an extraordinary employer-led organisation; producing a highly skilled and productive local workforce.

Our Mindset:

Job Purpose:

To work alongside our wider specialist curriculum delivery teams to provide training and assessment of study programme students. The role is required to guide and support the progression of learners to successful completion. You will also contribute to the ongoing development of our training content to ensure we are providing high quality education and training and making people exceptionally prepared for work, meeting our own commitment to be the training provider of choice locally and nationally.

PRINCIPAL DUTIES AND RESPONSIBILITIES:

1. To support learners through the learner journey from induction to completion to ensure a positive destination into employment, self-employment, promotion or further or higher education.
2. To provide training, coaching and assessment of all study programme learners on automotive programmes at Levels 1-3.
3. To work with learners to develop personalised learning plans, to equip them with the skills, knowledge and behaviours facilitating positive progress towards their long-term aspirations.
4. To help raise expectations and aspirations of our learners, to enthuse, motivate and create ownership of their own learning.
5. To support the learners to develop maths and English to the level required.
6. To assist in the development of all programmes and associated learning materials.
7. To liaise with the Curriculum Lead and the Quality team to prepare for, and participate in, external quality assurance visits from awarding organisations.
8. To maintain learning, assessment and training quality through critical self-reflection and collegial activity.
9. To support the delivery of study programme training and/or assessment to achieve qualitative and quantitative targets.
10. To undertake automotive engineering workshops and inductions as required.
11. To accept responsibility for the implementation of the College's Equal Opportunities policy throughout all personal contacts in the College and within this area of responsibility.
12. To maintain professional standards and expertise by undertaking relevant professional development, including ensuring that knowledge regarding changes to relevant legislation is kept up to date.
13. To maintain quality standards appropriate to the post.
14. To conform with the Health and Safety requirements relevant to the post.
15. To be responsible for the safeguarding and promoting the welfare of children wherever applicable within the role.

N.B. This is not a complete statement of all duties and responsibilities of this post. The postholder may be required to carry out other lawful and reasonable duties as directed by a supervising manager.

	Knowledge	PSM
1	Level 3 Assessors award (or equivalent) or the ability and willingness to obtain this within 2 years.	A/I
